feasibility report prepared by DDA in 1993 covers the following:—

(i) Pollution Control of the river through environmental improvement and treatment of sewage;

(ii) Channelisation of river;

(iii) Reclamation of land on the river bed for development; and

(iv) Navigation feasibility across the river.

(c) D.D.A. has reported that about 360 acres of land have already been acquired and taken over. Steps have been initiated for acquisition of more land. A sum of Rs. 10 crores has been placed at the disposal of the Govt. of National Capital Territory of Delhi. An amount of Rs. 65 lakhs has also been spent on various studies by expert agencies. Besides about Rs. 58 lakhs have been spent on development of greens including Smriti Van.

(d) The details are still to be formulated.
